### **Report to NFOG Board**

Johanne Holm Toft, consultant at the Women's Clinic, Stavanger University Hospital attended the online course: Advanced course on ultrasound examination of endometriosis (ISUOG), 15th to 16th of October 2024. The course was highly relevant for clinical practice with good lectures and discussions. The course test was passed.

Toft applied to the NFOG fund to cover the expenses of the course fee. The NFOG scientific Board granted the application of 4239 DKK for the course fee.

I would like to thank the NFOG Board for the economical support.

Kind regards

Johanne Holm Toft
